Request for Roster

Please list each player on this team's roster, with the exact spelling of their first and last name, as they should appear in the tournament program, along with each player's jersey number, height and year in school. We'd actually prefer that you attach a typed or word processed roster, or type the names and numbers below. If we can't read your handwriting, we'll guess on the spelling of a player's name or number and we may guess incorrectly. Players not listed in the program can still play in the tournament, provided that they attend your school.
