2010 WISCONSIN STATE INVITATIONAL CHAMPIONSHIP TOURNAMENT

6th Grade Boys ~ March 27 and 28, 2010 ~ Merrill, Wausau and Marathon, Wisconsin

S M A L L D I V I S I O N

Note: After the 6th grade boys tournament concluded, we received several complaints about a specific team using two ineligible players from another school district. We investigated the allegations and determined that WSICT eligibility rules were broken. As a result, the offending team (replaced in the score results below with *) has been expunged from the results and has no representative on the All Tournament Team. Our apologies to the five teams that lost to the team in question. While each of those teams may have finished higher in the tournament if this team hadn't broken the rules, obviously the games can't be replayed.**
